Andrea Marston, Rutgers
heath pearson, Georgetown

New Commons
Jasmine Syedullah, Vassar
Miriam Ticktin, CUNY
Paige West, Columbia

Keynote by Fred Moten, 4:30pm
2125 Academic Building West

Commoning is future-making. In this conference, we explore how futures are opened and foreclosed through new processes of enclosure and the creation of new commons. What kinds of opportunities and limits appear as we reimagine and enact new worlds, environments, communities, and livelihoods, in common?
